Dear Ms. Clinger,

The Galena Street East - California's Young Performing Ambassadors are accepted to be a representative of the State of California in the **American Celebration of Music in China** in 2008. The excellent recommendations we've received of your performing group and past achievements have qualified you for this honor.

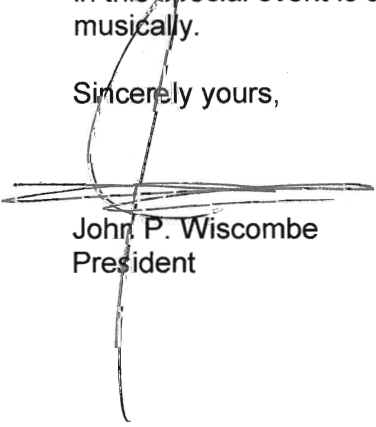

The exact dates of your participation may still fluctuate somewhat, but you are tentatively scheduled to participate from June 16 - 27, 2008. Little reference is made in the itinerary to performances because these arrangements will not be finalized for some time yet, and concert arrangements will also affect the day-by-day itinerary.

The "Pre-Olympics Music Festival" in the cities of Beijing, Tianjin, and Qinhuangdao- the official venue sites of the **2008 Beijing Summer Olympics**. Festival concerts are presented to large and enthusiastic audiences in a variety of venues in China such as children's palaces, theaters with large audience capacity, schools, universities, and some churches. The music Conservatories in Beijing, Tianjin, Xi'an, Shanghai and other cities are enthusiastic sponsors of festival concerts in their own superb concert halls. Performances are even possible at the great Wall of China!

The participation of the Galena Street East-California's Young Performing Ambassadors will provide you musicians a cultural, educational and musical experience that will enrich their lives, community and state.

Thank you for accepting the invitation to be a representative of California in this international music festival. We pledge our best efforts to be sure that your participation in this special event is a rewarding and memorable experience both educationally and musically.

Sincerely yours,

John P. Wiscombe
President
